**Presenter:**

Jocelyn Gunter, CEO of ARMA Int

Ms Lehman began the meeting at 11:30am with an introduction to the Zoom platform. Carolynn Coy provided an introduction to Jocelyn Gunter, our presenter for the meeting.

- ARMA HQ is working on a IG book that will provide information regarding the governing body of knowledge for Information governance and record management
- THE CEMG
- The largest turnure buckets for the ARMA members is between 1-3 years and 21+ years
- HQ is working on improved new member engagement by creating a welcoming committee
- Most members that are in the 1-3 year range have joined for a project or a program and once the project is done they move on
- They will be working on additional information for retired members and opportunities within the year
- They will be working on helping members gauge their records in their company by having a company called Experience Matters provide a free assessment starting in the spring.
- Made the career center easier to get to
- 66% of the members are overall satisfied with ARMA
- 95% would recommend joining ARMA

Questions were discussed in a round table way.

Meeting adjourned at 12:30 pm

Carolynn Coy
